

SILENT THUNDER WMD COUNTERTERRORISM TABLETOP EXERCISE

WHAT IS ROCKY MOUNTAIN THUNDER?

Rocky Mountain Thunder will focus on a terrorist-related WMD/radiological incident affecting the greater Denver community. Rocky Mountain Thunder is part of the Silent Thunder Exercise Series designed to foster collaboration among representatives from local, state, and federal agencies with a shared stake in ensuring a positive outcome.

COURSE CONTENT

The Silent Thunder exercise series provides a no-fault, site-specific TTX where leaders from all responding and stakeholder organizations can exercise both their crisis and consequence management capabilities for a terrorist WMD incident.

*You are receiving this notice because of your involvement as a key response partner, stakeholder and/or interested party. Please forward this to others who may be interested so that they may register for inclusion in this important and unique exercise.

WMD/RADIATION EXERCISE OPPORTUNITY

The United States Geological Survey, the Federal Bureau of Investigation (FBI), and the Department of Energy's National Nuclear Security Administration (NNSA) are hosting a tabletop exercise (TTX) on weapons of mass destruction (WMD) terrorism entitled "Rocky Mountain Thunder" on April 3, 2025, 0900-1700.
